

## HOW TO USE HOTEL DINING COUPONS

The Hotel Dining section offers discounts on dining at fine hotel restaurants. Each coupon offers 25% off your total check for one to four people dining together. Each offer may vary slightly, so please be sure to read every coupon carefully before use.

The restaurants selected are all located within one of the hotels listed in the previous hotel directory. Therefore, you can enjoy even greater savings when you travel; or treat yourself to a night out if your favorite restaurant is close to home!
